

PRIVACY POLICY

Island Valuation Limited collect personal information from you, including information about your:

- name
- contact information
- location
- property ownership and interests
- interactions with us
- billing or purchase information

Island Valuation Limited collect your personal information in order to:

- meet the professional standards required in the preparation of valuation reports for the intended purpose of the report and the intended user of the report.

Besides our staff, we share this information with:

- the intended user and addressee of our reports (including Valuation Ordering Services) in order to meet the required standards of reporting for the intended purpose or user of a valuation report.

Providing some information is optional. If you choose not to enter the information required to meet our professional standards or the requirements of an intended user, we may not be able to complete an engagement.

You have the right to ask for a copy of any personal information we hold about you, and to ask for it to be corrected if you think it is wrong. If you'd like to ask for a copy of your information, or to have it corrected, please contact us at contact@islandvaluation.com.
